End User License Agreement (EULA)

Your Agreement to this License:

You should carefully read the following terms and conditions before using, installing, or distributing this software, unless you have a different license agreement signed by Bitacube Software.

If you do not agree to all of the terms and conditions of this License, then do not copy, install, distribute, or use any copy of the software with which this License is included, you may return the complete package unused without requesting an activation key within 30 days after purchase for a full refund of your payment.

The terms and conditions of this License describe the permitted use and users of each Licensed Copy of the software. For purposes of this License, if you have a valid single-user license, you have the right to use a single Licensed Copy of the software. If you or your organization has a valid multi-user license, then you or your organization has the right to use up to a number of Licensed Copies of the software equal to the number of copies indicated in the documents issued by Bitacube when granting the license.

Scope of License:

Each Licensed Copy of the software may either be used by a single person or used non-simultaneously by multiple people who use the software personally installed on a single workstation. This is not a concurrent user license.

All rights of any kind in the software, which are not expressly granted in this license, are entirely and exclusively reserved to and by Bitacube Software. You may not rent, lease, modify, translate, reverse engineer, decompile, disassemble or create derivative works based on the software nor permit anyone else to do so. You may not make access to the software available to others in connection with a service bureau, application service provider, or similar business nor permit anyone else to do so.

Warranty Disclaimers and Liability Limitations:

The software and all accompanying software, files, data and materials, are distributed and provided AS IS and with no warranties of any kind, whether expressed or implied. You acknowledge that good data processing procedure dictates that any program, including the software must be thoroughly tested with non-critical data before there is any reliance on it, and you hereby assume the entire risk of all use of the copies of the software covered by this License. This disclaimer of warranty constitutes an essential part of this License.

In addition, in no event does Bitacube authorize you or anyone else to use the software in applications or systems where its failure to perform can reasonably be expected to result in a significant physical injury or loss of life. Any such use is entirely at your own risk and you agreed to hold Bitacube harmless from any and all claims or losses relating to such unauthorized use.

In no event shall Bitacube Software or its suppliers be liable for any special, incidental, indirect, or consequential damages whatsoever (including, without limitation, damages for loss of business profits, business interruption, loss of business information, or any other pecuniary loss) arising out of the use of or inability to use the software product or the provision of or failure to provide support services, even if Bitacube Software has been advised of the possibility of such damages. In any case, Bitacube Software's entire liability under any provision shall be limited to the amount actually paid by you for the software product.

General:

This License is the complete statement of the agreement between the parties on the subject matter, and merges and supersedes all other or prior understandings, purchase orders, agreements, and arrangements. There are no third party beneficiaries of any promises, obligations, or representations made by Bitacube herein. Any waiver by Bitacube of any violation of this License by you shall not constitute nor contribute to waiver by Bitacube of any other or future violation of the same provision or any other provision of this License.
